

No Skids with the Kids

Culminating its increasingly active service, the NCF's Dance Ministry offered Kids Ballet classes which began on May 23.

"Initially set for a four-Saturday series throughout summer," says Dance Ministry Head Jackie Garcia, "their forthcoming recital made us extend it until July."

The class of eight was an all-girls group, ages 4-7, meeting weekly from nine to ten in the morning.

The teachers had as much fun, as the kids learned simple ballet movements. Yet small as the moves they make, these youngsters could not help but remind us of Jesus and the little children that He has so openly desired to come to Him.

Praise the Lord indeed for the young age with which these new dancers glorify God!
