

NCF Banaba Celebrates Anniversary: In A New Sanctuary

“We've been touched by the warmth of God's presence, spiritually and literally!”, Del Maluya gladly shared about his experience in the 2nd Anniversary of NCF Banaba held last October 25, 2009. Around 150 people gathered together in the new sanctuary and raised a joyful noise of worship and praise to the Lord.

The morning and the new sanctuary were filled with special presentations and testimonies from some of the members, attesting to how God has been so good and faithful in their

lives through the church. “The Enemy may try to hinder and work against the church, but the victory is the Lord's!”, proclaimed by Pastor Mark Dantes, the Senior Pastor of Novaliches Christian Fellowship, who delivered the Word of God, with the message that the Lord is always in the business of enlarging their territory. The members were once again challenged to continue serving the Lord with gladness and burning passion in their hearts for their labours will never be in vain.

Blessings continued to overflow in the distribution of groceries to a number of families. Also, the brethren feasted together on the food provided by the Lord. Many volunteered to work hand in hand in preparing the food as well as the Sanctuary, which was designed in a very beautiful way, offered wholeheartedly to our Beautiful and Awesome God.

Pastor Albert Salipot, who has been spearheading the church from the beginning, expressed his gratitude to the leadership and the members of Novaliches Christian Fellowship for the unwavering support, care and prayers for NCF Banaba.

To God be the glory!
