

Four Brethren Baptized from NCF Banaba

Last December 13, 2009, NCF Banaba Head Pastor Albert Salipot officiated over the water baptism of Sister Bing Conejos and the Tuyo Family; Sister Marites Tuyo, her husband Fernando and 13-year old daughter Liean. It was a significant moment for NCF Banaba as Pastor Albert put it. *“Si Tatay Fernando ang unang na-baptize na padre de pamilya sa NCF Banaba.”*

Sis. Bing Conejos has been attending NCF Banaba for quite some time now. *“She’s so dedicated sa service pati mga anak niya... nakakatuwa,”* says Pastor Albert.

Sis. Marites Tuyo was invited to attend NCF Main’s Medical Mission last August 2009. She was able to avail of free optical services. After that, the good news of salvation was reinforced to her by Brother Oca Alabado. The following day, she with her husband and daughter attended the Worship Service at NCF Main. Sis. Marites recounts that on that day, *“sabi ng asawa ko, pagpasok pa lang niya sa NCF, ang luwag sa loob at ang gaan sa pakiramdam. Marami ring pagbabago sa aking sarili simula noon.”*

The Tuyos eventually chose to attend in NCF Banaba because it was just a 5-minute walk from their house. Then, they decided to be baptized as the first step in serving God. Soon, they want to become members and be involved in ministries. Right now, they are attending Bible studies and definitely want to grow more in the Lord.
