

Clayhouse Begins Campus Ministry

Twelve students from Camarin D High School in Quezon City have decided to accept the Lord in an evangelism session last week. The new believers, aged from 17 to 22 years old, were handled by NCF Clayhouse Pastor Kirby Figueras, once again extending God's work in schools.

It was an afternoon gathering last Saturday that started with singing and ending with a group prayer, with much sharing in between. "They were very receptive and were keen to cooperate with the activities," said the Pastor, who also found in their enthusiastic faces the hunger for something more.

The key verse was Jeremiah 29:16 – "For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." The effort on Camarin D High School came into being when Sister Rhamlyn Sugcang, an NCF member and also a teacher in the said campus, found the urge to bring God's Word in the area, beginning with her personal sharing.

Later on, she asked the help of NCF pastors in finally starting a campus ministry for the school. NCF intends to conduct follow-up sessions on the students. Hopefully, problems with the schedule will be overcome and the meetings will soon become regular.
