

## Clayhouse And ECMI

Songs, laughter and pleasant conversations filled the NCF main's sanctuary as NCF Clayhouse did a joint-youth service with EMMANUEL CHRISTIAN MINISTRIES INTERNATIONAL on the 2nd day of January 2011. What other way is there to open the year up but with joyful celebration and fellowship? Everyone clapped and raised their hands for Jesus as Sis. Hannah Jade Nueva together with clayhouse's praise and worship team led them into God's presence. Members from both churches also enthusiastically participated (as they should!) in Sis. Dana Palting's activity and finally each one got his / her good dose of God's Word courtesy of pastor Kirby Figueras. The day ended with everyone smiling and sending each other off with God's blessing. To God be all glory!
