

Clayhouse Celebrates 2nd Anniversary

It has been two years for *Clayhouse*, two years of God's grace still at work in the Youth Ministry of Novaliches Christian Fellowship Main. What better way to celebrate it than to give back all the glory to God, as they did along with many visiting youth ministries last November 28.

The celebration's theme was *Wanted: Dead and Alive*, in reference to Romans 6:11 – dead unto sin, but alive in Christ Jesus our Lord. The afternoon gathering at NCF Main was filled with young people not only from all walks of life, but also many who possess talents, showcased in the quantity of special numbers and worship-leading from the various ministries.

Preaching on the Anniversary was Pastor Kirby Figueras, who emphasized cleansing and revival to the young congregation. Hinging on the theme, the Pastor believes that living in Christ and dying in sin is a key reminder for believers and unbelievers alike.

Culminating the event was the flying of red balloons in the night sky. On the balloons and on the small notes attached to the strings were the sins and hindrances that the youth decided to throw away. The balloons were red as a symbolism of Jesus' blood, which washes away all

sins and shame. The solemn moment was followed by an energetic afterglow and a sumptuous evening meal. Truly, it has been two years of God's grace at work – and by all means, He is faithful to complete His work in *Clayhouse* for the years to come.
