

## Concert of Prayer at NCF

At the height of the election fever, Novaliches Christian Fellowship devoted its time to prayer and songs of praise through a *Concert of Prayer*.

Just a day before the election, around a hundred attendees, representing NCF Main, NCF Banaba, Green Valley Baptist Church, Pangarap Village Southern Baptist Church and PNR Christian Church Caloocan gathered together to lift the nation to the Lord's mighty hand.

The program was divided into four parts: Adoration, Confession, Thanksgiving and Supplication, or ACTS, the basic pattern for prayer.

*Adoration* was the first in line, with the Praise and Worship Team and the congregation led by Sis. Dana Palting. She says, "The experience was fulfilling; Having to lead the entire congregation in prayer was a new experience and a blessing to me personally."

*Confession* was presided by Pastor Mark Dantes of NCF Main, followed by *Thanksgiving* by Pastor Arnel Paras of PNRCC, and *Supplication* by Pastor Andrew Fajardo.

Each segment was marked by prayer, particularly for the election and the nation as a whole, accompanied or followed by praise-and-worship songs, hence the name, Concert of Prayer.

"We attribute the success and relative peace last elections to God's answer to the prayers not only of NCF, but of the many churches who prayed for it," said Pastor Dantes.

With all that was said and done, the future leaders of the country now rest under God's bountiful mercies. To God be the glory!
