

NCF Bible Institute Students On Exposing Cults

Last November 1 and 8 , 2009, three students of NCF Bible Institute held an expose of about the false religious groups in the Philippines for the subject "Theology of the Cults" under Pastor Mark Dantes.

Pastor Noni Lazo talked about "Ang Dating Daan", led by Eliseo Soriano while Bro. Edgar Santos discussed the "Kingdom Jesus Christ The Name Above Every Name", led by Apollo C. Quiboloy, who claims to be the Son of God. On the next Sunday, Bro. Mark Madrinian focused on Pentecostal Missionary Church of Christ 4th Watch, led by Arsenio T. Ferriol.

Young people and adults listened intently while each student exposed some of the many false teachings of the said groups. Questions were asked after the discussion and were answered through the Word of God.

It is the aim of the Bible Institute to inform the students of their false teachings and equip them how to confront the wrong beliefs by correctly handling the Word of God, the sole basis of our faith, doctrines and teachings.
