

## Dulce Visits NCF

August 30, 2009 – Praise the Lord! The culmination of NCF’s Anniversary was graced with the presence of Dulce, one of the industry’s legends finding salvation in Jesus Christ.

The sanctuary was filled with the congregation, which numbered to around less than 300, including members from NCF Banaba, Green Valley Baptist Church, Pangarap Southern Baptist Church, and a huge number of other visitors.

After the energy-filled praise and worship part came the celebrity’s testimony. Rising from the grip of poverty and a tumultuous childhood, she indulged in the life of stars and showbiz, including experiences with occultism – that is, until the prayers of the saints, especially her mother, were answered by the Lord, to whom Dulce came for salvation. She further testified of her experiences and struggles with her Christian life.

Fifteen people accepted Jesus Christ as Savior and Lord by the end of the testimony.

Dulce also sang a few songs, including the Christian version of her trademark song, *Ako Ang Nagwagi*.

“I am encouraged by her dedication to the Lord. Despite the persecutions and criticisms she faces, she still continues to profess and serve.” says Senior Pastor Mark Dantes of NCF Main, who was among the many who were very inspired with her testimony.

All in all, God gave NCF a much blessed ending Sunday Anniversary with Dulce’s visit. The congregation is truly grateful.
