

From NOVALICHES to RAPU-RAPU

The Lord really works in amazing ways! Last June 5, 2011, Bro. Santy Serapio has finally heeded God's calling to pastor a church in Rapu-Rapu, Albay. The send-off ceremony was witnessed by the whole congregation and everyone prayed for his new task.

Missionary works in the place started five years ago when Sis. Divine Victorio invited some members of the Ladies' Fellowship to her own hometown. They started Bible studies in their several trips to Rapu-Rapu.

Their recent trip included Bro. Santy and confirmed that the place is ready for a regular get-together for the Lord. Thus, Bro. Santy is now a Missionary Pastor, extending Novaliches Christian Fellowship to the far-flung municipality of the Bicol Region. Pastor Santy is now an official member of the NCF Pastoral Staff.

From here on, regular Bible studies, visitations, outreaches and Sunday worship services will be held under the care of Pastor Santy. Community services will also take place in coordination with the Barangay. For the meantime, a small nipa hut will be built for the activities and Sunday gatherings. It is prayed that a bigger structure for worship will soon be available with God's grace.
