

NCF Banaba's G.Y.S. (God's Young Servants) Celebrates 2nd Anniversary at Ecopark

While under the heat of the sun, young people from NCF Banaba also felt the warmth of worship and thanksgiving for God's faithfulness to G.Y.S. (God's Young Servants Youth Ministry)

Last January 31, 2010, current Youth Ministry Head Del Maluya started the celebration with a few words and a prayer. This was followed by singing as well as some games, which made the festivities all the more joyful.

However, in spite of the merrymaking, many of the youth members of G.Y.S. could not attend. Since the celebration was held at the La Mesa Ecopark, they needed financial support. Some were able to save for the fare and also for the food, but many were not able to save enough.

Around 30 people were able to join. Brother Jonel Rubio, who was invited as a speaker, left a challenge with the message entitled "Be Serious" which was adopted from NCF's *Be Series*.

"Satan is serious in dealing with the youth, which is why young people should become K.S.P. (*Kabataang Seryoso sa Panginoon* or Young people serious with God)," said Brother Jonel. All in all, the event was simple but filled with blessing.

Thanks be to God for the life of NCF Banaba Head Pastor Albert Salipot for his continuous support in the betterment of the ministry. To God be all the glory and praises!
