

LLM Sportsfest

The Little Lambs Ministry (Children's Ministry of NCF Banaba) held their sportsfest last May 29, 2010, 4:00 PM, Saturday. The children enjoyed the afternoon that began with a prayer and followed by songs, slowly building their excitement. Afterwards, the signal was given to formally start the games. Filipino games like "Tumbang Preso, Sipa, Tamaang Bata" and more were played, and challenged their endurance and speed. Their memories were also put to the test as some of the games were based on their Sunday school lessons. The sportsfest, which was attended by more or less 40 children, was successful. Some may have won or lost but this did not affect their sportsmanship. The program ended with a prayer and sumptuous snacks. We thank the teachers and volunteers who gave their time for the success of this event.
