

Last 18th Anniversary Sunday

The Lord's blessings are pouring out even more as Novaliches Christian Fellowship concluded its 18th anniversary with a joint worship service and youth fellowship.

Morning began with the first Inter-church NCF Bible Quiz Bee. Contestants were teams from NCF Banaba, NCF Main, Pangarap Village Southern Baptist Church (PVSBC) and Green Valley Baptist Church (GVBC). The competition was so intense that NCF Main bagged the first prize with only one point ahead of the others.

Praise and worship was led by Music Ministry head Sister Gigi Dantes, after which the preaching was done by a guest speaker, Pastor Jun Aguilar from Victory Christian Fellowship – Fort Bonifacio. Pastor Aguilar spoke on the destiny of the Christian, that God has a great plan for each believer, no matter the odds laid by the devil. Interestingly enough, Pastor Jun himself is a medical doctor.

Many have expressed their appreciation of the message, and no less was the response to the altar call.

And, just like the beginning anniversary Sunday, the congregation was later treated to a sumptuous lunch fellowship.

The afternoon also saw a huge gathering of young people in the fellowship attended by those from the worship service. They were later joined by youth from Evangelical Life Fellowship of Sikatuna Village in Quezon City and Lighthouse Christian Church of Amparo Subdivision, Caloocan City. Nearly every church represented rendered their own kind of special song, dance and drama numbers. Pastor Andrew Fajardo of GVBC also exhorted on the spiritual motivation of the adolescent congregation.

After all that's said and done, the success of NCF's 18th anniversary can only be attributed to our Lord Jesus Christ, whose blessings received today we also claim by faith, for more years to come.
