

## NCF HOLDS MEDICAL MISSION

A free medical consultation was conducted last August 14, 2010 with the support of Health, Education and Medical Ministry Inc. (HEMMI), a para-church organization spearheaded by Dra. Joy Tica. This is the same team that rendered free dental, medical and optical services in the last two anniversaries of NCF.

There were 94 who availed the medical service, 31 had free optical check-up, and 30 had their dental check-up. Out of the 155 that were rendered free services, 28 received Jesus as their Lord and Savior. Praise the Lord! Eight expressed their intention to dedicate their lives to the Lord, nine wanted to attend Bible studies and three more to be church members.

Sis. Del Doringo and Sis. Susan from the Ladies Fellowship unselfishly shared their time giving half-body massage. It was indeed a very relaxing treat for everyone!

This Medical Mission is the third in the row. A million thanks to HEM Ministry and to all the volunteers for making it possible to share God's love to others. To God be the glory!
