

## NCF Holds Couple's Sunday

Last Feb 15, all NCF couples were treated to a special moment of fun and reminiscing.

Around 13 couples were given balloons and were asked how long they had been married and how long they had been together before tying the knot. Sim and Sofia Ga remain strong as ever after 49 years of being married. Rommel and Mitch Fortaleza are the youngest couple, having been married for 3 years. Louie and Brenda Cachero had been together for 7 years before exchanging wedding vows.

The congregation was amused with the love story of Ben and Baby Biglang-awa who confessed that after 3 months of getting-to-know-each-other stage, they were forced to get married because of Baby's father. Ben admitted,

*"Barbero kasi ang tatay niya at pag dumadalaw ako laging naghahasa ng gulok."* Their sharing brought laughter to everyone.

The four couples and Pastor Mark Dantes and wife Gigi received special love mugs. Pastor Kirby Figueras prayed over all the couples to receive more of God's blessings and to stay tough amidst all life's trials.
