

## NCF Turns 18!

NCF is celebrating 18 years of God's faithfulness this August. The first Sunday kicked off with the Men's Ministry serenading the entire congregation. It was a much-applauded song number! Once was not enough so the congregation asked for

more. Ready, the men rendered a second song. It was actually a prelude to what was in store that afternoon---the first-ever Men's Indoor Sports Fellowship.

The first Sunday celebration did not end without the sharing of a special lunch together. But before that, the Special Events Ministry together with the Ladies' Ministry, raffled off names of 18 ladies aged 18 and above. These ladies were given pink rose each. They were also asked to say a prayer for NCF's 18<sup>th</sup> Anniversary.

As mentioned, the afternoon was reserved for a muscle-stretching, mind-boggling and fun-filled fellowship for all the gentlemen. The participants were challenged in Table Tennis, Chess, Darts, Videoke and Pinoy Henyo. The Youth Ministry, headed by Pastor Kirby, helped facilitate all the events. The following emerged as winners:

Table Tennis - Bro. Fernan Palting

Darts - Bro. Dranreb Dayao

Chess - Bro. Joey Jamisola

Videoke - Bro. Don Magno

The Youth Ministry made sure that the men would have a hard but good time in Pinoy Henyo. Nobody was spared from the consequence. Bro. Dranreb Dayao, Bro. Fernan Palting,, Bro. Arman Figueroa and even Pastor Mark Dantes were spilled with colored liquids on their heads because their teams failed to guess the correct words.

It was a truly enjoyable day not just for the Men's Ministry but for their families and co-workers who witnessed the Sports Fellowship. The men displayed true

sportsmanship in all the events. This is just the beginning of NCF's month-long celebration of its 18th Anniversary. The next Sundays are filled with more surprises. To God be the glory!
