

NCF at 17: The First Anniversary Sunday

Hallelujah! God's goodness is yet again manifest in Novaliches Christian Fellowship's 17th year of service to the Lord. The first Sunday has been full of blessing and thanksgiving.

One such blessing was the opportunity to hear Bro. Justy Guzman leading the *Praise and Worship* with vigor. Brother Justy, who was once one of the famed 70s Filipino band *The Boyfriends*, is now offering his musical talent and testimony to God.

Surprises also laid in wait under the seats of 17 people, entitling them to prizes courtesy of the Special Events Ministry. Also noticeable were the new paving finish and the audio-visual equipment, which were later included in the thanksgiving prayer along with the sweet messages received by NCF from friends here and abroad.

The message was given through Pastor Mark Dantes, who preached on knowing that God is working, citing three points drawn from Philippians 1:6. That God is working and in control adds to God's finishing of His faithful work. Many came in prayer for renewal and faith, six of whom had decided to accept Jesus Christ as Savior and Lord.

Coupling the spiritual food was the sumptuous lunch brought in by some of the members and attendees, and prepared by the Housekeeping and Ushering ministries along with assisting members.

By faith, the first Sunday will be but the tip of what is yet to become NCF's blessings on its 17th Anniversary. Praise the Lord!
