

NCF's GOT ALL THE TALENT

Last Dec 18, new talents were discovered at the 1st-ever NCF's Got Talent. It was the highlight of the annual NCF Christmas party. There were a total of nine performances, six of which were solos; the remaining three were group presentations by Bro. Jun Capada and company, the Ladies Ministry, and the Youth & Dance Ministries. The judges were composed of Bro. Bob Guzman, Sis. Gigi Dantes, Bro. Michael Dantes, Bro. Jun Gutierrez and Rev. Mark Dantes. Like the famous talent search, the judges gave their comments after each performance...and they gave theirs like a pro!

Bro. Jun Capada with his two friends rendered a Christian rap number. Bro. Bob Fortaleza showed his God-given talent in singing and guitar-playing. Sis. Del Gagto recited an original declamation piece. Bro. Aljon Lapitag and Sis. Julie Nueva both presented monologues. The Ladies Ministry and the Youth & Dance Ministries entertained the audience with valuable skits. Sis. Del Doringo surprised everyone with her gift in drawing. Bro. Fernan Palting was the big winner when he amazed the audience with his ability to play music with no less than a plastic-covered comb!

Sis. Del Doringo placed third while the Youth & Dance Ministries ranked second. Bro. Fernan Palting was asked to play one more time when it was announced that he emerged as the champion.

It was a fun-filled afternoon of raffles, games, special awards and gift-giving. More importantly, as new talents were unraveled, these talents are prayed to be used for God's glory.
