

## NCF SHARES BIBLES IN A NIGERIAN COMMUNITY

NCF recently received an email from a Pastor in Nigeria. He wrote that he is privileged to share the Gospel to people in prison, in schools and rural communities who are predominantly traditional worshippers and Muslims. The Lord is working on them. Many inmates have repented and have accepted Jesus Christ.

The Pastor has asked NCF for 32 large print Bibles for the prisoners and two study Bibles for elders. Pastor Mark Dantes relayed the request to the congregation and some hearts were touched.

Right now, NCF was able to purchase 24 King James Version Bibles. Funds are still being raised for shipment.

It's good to know that the NCF website is being used by God as a tool to reach out and help win souls for God's kingdom.
