

PRAYER WALK

Last May 14, 2011, the NCF Men's Fellowship now called the NCF Men of Truth, held their first ever Prayer Walk. According to Ministry Head Bro. Justy Guzman the purpose of the activity is to pray for Barangay Kaligayahan and to have bonding and exercise together. Around 20 gentlemen gathered that early Saturday morning. It began with praise and worship led by Bro. Justy and Bro. Dranreb Dayao. Pastor Mark Dantes gave the briefing on how to go about the Prayer Walk. The first stop was on the vacant lot beside the church. Everybody prayed for financial provision for a new multi-purpose building to be constructed there.

Then, they walked by two's, making sure that those who have been long-time Christians were partnered with those who were new in the faith. They were also divided into two routes. It was a different experience to be praying and walking at the same time. The two groups finally met at the Barangay Hall to pray for Barangay Kaligayahan and its officers. Then everyone was ready to go back to NCF where a hearty breakfast awaited them.

Bro. Justy has this to say, "To all NCF Men of Truth, *habang tayo'y malakas*, let us serve the Lord." The Ministry is getting

ready for their next project, an event that will test their agility and strength: a Sportsfest in the Anniversary month of August. Go, go, go gentlemen! All for the glory of God!
