

Prayer Walk

As early as 5:30am, the members of the newly organized Men's Fellowship gathered at NCF last MAY 8, 2010. Their purpose: walking. But this was not just an ordinary weekend walk at La Mesa Ecopark. Their intention was to have a quiet time to walk, alone, and taking the opportunity to talk with the Lord.

The fellowship started at around 7am at Ecopark. After their opening prayer, songs of praise and worship followed as led by Bro. Justy Guzman and Bro. Fernan Palting. The devotion was led by Pastor Mark Dantes.

After the fruitful devotion, each was given a small sheet of paper with a list of items that they should include in their prayers. Included in the list are NCF leadership, members and projects. It also included prayers for a peaceful May 10 election, leaders and candidates, PCOS machines, teachers, comelec, etc.

Some searched for a quiet area while some walked. The prayer activity lasted for almost an hour.

After walking for almost an hour, they regrouped and they shared and enjoyed the food they brought along.

It was a blessed morning that everyone enjoyed. They had one spirit in making sure that this prayer walk would be a regular activity.
