

## Pre-Camp Rally 2011

In preparation for NCF's summer camp on April 27-30, 2011, a pre-camp rally was held on April 10, 2011. A promising number of about 80 from different churches attended the rally for *Disciples of the Almighty: Upgrade*. The purpose of the rally was to orient them in the basic necessities and rules within the campsite.

Just as the theme states, the camp's primary objective is to set the hearts and minds of Christians in becoming Disciples for Christ, being deeply rooted in the Word of God, and to harness their potential and skills in various musical instruments, dance, drawing and teaching abilities. "Disciples of the Almighty" was actually a theme from a previous camp, but the upcoming camp added "Upgrade" to the theme, in an effort to take the campers to the "next level."

The rally did not only serve as orientation for the camp but as a joint fellowship between NCF Main, NCF Greenfields, Green Valley Baptist Church (GVBC), and Pangarap Village Southern Baptist Church (PVSBC). The ice was broken with the little activity made by GVBC in a "group yourselves" type of game. NCF Greenfields presented their special number in the form of a song while the youth from PVSBC presented theirs in the form of a pantomime after which, Ptr. Kirby Figueras fed the attendees with the Word of God.

The rally did not end without the joyful and energetic singing of praises for God. Of course, they did not leave the premises without filling their stomachs with pancakes and iced tea.

The pre-camp rally has shown that God has a great promise in store at *DOTA: Upgrade*. We continually pray for the camp's success, that may this bear fruit and add citizens and servants into God's kingdom.
