

GYS Version of ROCK MUSIC EXPOSE

God's Young Servants Ministry (NCF Banaba-Youth Ministry) held its own version of a Rock Music Expose last May 30, 2010, at four in the afternoon. The program opened in prayer by Ptr. Albert Salipot, followed by a song led by Ptr. Kirby Figueras. It then had two parts, the

first of which was entitled "Subliminal Messages", delivered by Estrelita Vargas (BSED graduating student from PNU) and the other being "Satan's Signs and Symbols", discussed by Ptr. Albert Salipot. The expose was attended by more or less a hundred youth from different churches like NCF Main, Pangarap Southern Baptist Church, Faith Baptist Church, Dwelling Place Christian Fellowship, NCF-

Banaba and Moriah Evangelical Christian Church. Awareness of Satan's works and the surrender of one's life to Jesus were left to the listeners. There were youths who surrendered items bearing symbols of Satan.

Ptr. Albert is grateful first and foremost to the Lord, in whom is their victory, then to Ptr. Mark Dantes who shared his knowledge and materials that helped them prove the enemy's works, the

MECC which lent their chapel for the venue, and then to all who prayed for the event.

The enemy may have tried to stop the program but he failed, for the eyes of our omnipotent God was watching over it all along. To God be the glory!
