

## Three More Baptized in NCF

Last June 21, three more Christians chose to follow the ordinance of baptism.

Sisters Mary Jane Bason, Imelda Ciudad and Eleanor Matierez all enjoyed each other's company within Sis. Marilyn Baldonado's home. Yet, it was quite a while when their different life stories ended up in one Church and one Savior.

Mary Jane has already been calling to God before, though she says it was only in times of trouble. "Before, I only come to the Lord when I needed something," says the newly baptized Christian as she now testifies to having a stronger faith in Jesus Christ.

Alongside her is Eleanor Matierez. "After eight months of having a hard time in Singapore, I came back," says Eleanor, who, upon coming to NCF, has realized at one time that she needed Jesus. The third companion, Imelda, also believed and is now a Christian, and has recently flown back to Singapore, where, according to Eleanor, she would continue her Christian life by joining other churches.
