

NCF Gives Tribute to Students and Parents

Novaliches Christian Fellowship did not let the last Sunday of March pass away without congratulating the graduates and achiever students on their accomplishments by the end of school year 2009-2010.

Courtesy of the Ladies and Ushering Ministries, around 18 students from various levels of education - including their parents - were recognized and awarded medals and bar pins.

On the bar pins were written the names of the awardees and the entitling of "Model Student / Parent"

Senior Pastor Mark Dantes then prayed for thanksgiving and brighter future for the students.
