

Youth Moving at NCF Anniversary

Needless to say, the youth of Novaliches Christian Fellowship had to take an active part in celebrating their 17th anniversary – and in a very special way, as seen in the Youth Sunday at NCF main on August 9 and their Joint Youth Fellowship on the 30th.

First came the second anniversary Sunday for the special participation of NCF main's Youth Ministry, *Clayhouse*, under Pastor Kirby Figueras. For a change, the job of presiding was entrusted to Caleb Dantes, a young member of the ministry. The band for the praise and worship part was also manned by a lot of *Clayhouse* members.

Culminating the overall celebration was the Joint Youth Fellowship on the 30th of August. The attendance ran high, with the joining of youth ministries from NCF Main and Banaba, Green Valley Baptist Church, and visitors from Triumphant Christian Ministries and Pangarap Village Southern Baptist Church.

The praise and worship session reflected their God-given strength and energy, with members of the congregation even stepping forward to lead the singing. A lot of special numbers were also presented, among them a hand-mime by the TCM youth, back-to-back with that of the NCF Main. A small but meaningful message from Pastor Mark Dantes also left the attendees with a challenge to live the Christian life despite worldly antagonism.

The Christian harmony within the ministries was demonstrated in the prayers for unity, where representatives of the churches said a prayer to God.

Thanks to the Lord, the joining in of the youth in the anniversary celebration was a satisfying one, physically, socially, and most importantly, spiritually. Hallelujah!
