

NCF Banaba Reaps More Disciples For The Lord

Pastor Albert Salipot can't find the words to express his joy for the work of the Lord in NCF Banaba. Last January 10, four more people from the said local church are baptized. Richard Balon and Aljon Salipot, the youngest brother of Pastor Albert, were baptized along with Beverly Anne Geanga and Glendy Marie Alegre.

Aljon and Richard both attended the DOTA (Disciples of the Almighty) Youth Summer Camp last April 2009. Anne and Glendy were students from what used to be an Outreach Ministry established in their community back in 2004, which is now the NCF Banaba Chapter, the first daughter church of NCF.

Truly, God answered the prayers of brethren, for the decision these young people have made to the Lord. May our God touch more hearts of young people and adults alike to take the step of obedience unto the Lord.
