

## Dance Ministry Opens at NCF Banaba

The Dance Ministry, newly instated in NCF Banaba Chapter, was formally introduced through a special number last Feb. 14, 2010.

The Ministry came into being after much prayer and the unified voices of the leaders and members who formed it. The vision seemed impossible at first due to a lack of a leader who can handle the Ministry.

But all is perfect in God's own time. NCF Main's Ballet Workshop gave way for God's calling in the person of Jenny Mones, whose potential is very evident despite her youth.

Among those who comprise the core of the Ministry are Shalini and Allysa Esogon, Sheryl Maluya and Alliana Conejos. At present, the team regularly meets every Saturday at 3:00pm to continually further their gifts and talents in dancing.

Sis. Gracce Mones, a former NCF Main Dance Ministry member and current head of the Banaba Worship Team, will also share all her knowledge and experiences as a dancer.

To God be the glory!
