

The Young Ones Meet the Young Once

The battle was set last January 15 at the North Olympus Covered Court. Wearing especially-made jerseys, the Men of Truth vs. The Clayhouse Youth Ministry fought it out in the basketball arena. The basketball fellowship started with a prayer, not forgetting that our strength and skill come only from our Creator. When the ball was tossed, the players sweated it out for assists and rebounds to score. The seniors outnumbered the juniors, having ample players taking turns for well-planned plays. NCF members and attenders gladly supported the sports event. They cheered for their favorite team.

At the end of four quarters, the Men of Truth emerged victorious. Everyone went back to NCF Worship Center for the awarding and snacks. The Most Valuable Player of the game was given to Bro. Ron Fortaleza who led the winning team with the most number of points and assists. Bro. Eman Esteras scored the highest for Clayhouse.

Special thanks goes to Bro. Lloyd Garcia for initiating and sponsoring the basketball fellowship. Indeed, it was an afternoon that brought so much fun to everyone. All glory and honor belong to our Lord Jesus Christ.
