

Dear Brethren at NCF,

First of all I wish to thank you for the assistance you have sent to us here in Gabon Africa. We received 24 Old and New Testament Bibles from you and we have shared these to some brethren here Gabon who are English speaking. Although Gabon is a French speaking country, there are a lot of expatriats from Cameroun, Ghana and Nigeria here. And most them still read and speak English.

We have shared 7 Bibles to teachers of ACE School Gabon, 2 Bibles to my interpreters in our church and 10 Bibles were sent to Nigeria for some workers in another church.

This is a blessing for us because to purchase an English Bible here will cost us about \$33 each. For people to purchase that will be too much and might to prefer to buy food instead of the Bibles because of difficulty financially. When Pastor Mark mentioned to me about the Bibles, I immediately realized that some people who will receive them here will be very happy. Five of these sent Bibles are being reserved for the Bible School here as reference in the Library.

From all of those who received them, they want to say thank you for all your kindness and generosity. God bless you all.
