

Dahil Mahal Kita Jesus –

The *Boyfriends'* Hit Revival

Along with NCF's 17th Anniversary culmination Sunday came the *launch* of a revived hit by *The Boyfriends'*: revived sure is the term as *Dahil Mahal Kita* goes with a spiritual *revival* when it's now *Dahil Mahal Kita Jesus* by Bro. Fernan Palting and Bro. Justy Guzman.

The new lyrics came to the mind and heart of Bro. Fernan, a long-time NCF member and just as much a fan of *The Boyfriends'* in the 70s. Going back through the songs, he felt moved when *Dahil Mahal Kita* stumbled in his memory. With God's blessings, the new worship lyrics were added.

"After some time, when Bro. Jus came to NCF, I decided to bring the song to him for his

opinion and help in refinement" says Bro. Fernan.

Bro. Jus, one of the original members of the band, was blessed with the message, and was only too glad to help. The result was the special number on the Anniversary.

Now entitled *Dahil Mahal Kita Jesus*, the song now renders praise to the Lord. The experience of singing in front of the congregation was a nostalgic one for Bro. Fernan, who had been also singing in special numbers since NCF's days at the Novaliches Bowling Lanes.

The song's message is a call for believers and unbelievers alike on God's love and, as the title implies, loving God.
