

Sending Forth: NCF's Brother Noni Lazo Called to Pastor

Once again, it seems that God's call makes NCF send forth one of its own: this time, it is Brother Noni Lazo, a member of NCF Main who is lately asked to serve as pastor in another church. The field: Pangarap Village Southern Baptist Church in Caloocan City.

The congregation in the area, which Bro. Noni was once a part of, sought candidates for the pastorate, preferably former members, and, after three months of difficulty and steadfast prayer, a church election between four candidates commenced, and Bro. Noni was chosen.

To this end, Bro. Noni says that he felt the compassion, and, moreover, he also considers the calling that God has set for him. After hearing and heeding advice from NCF pastors, he finally decided on taking the task, and, God willing, he will be "sent forth" on May 3, 2009.

Until the time comes that things will be more settled or when it eventually comes to permanence, Bro. Noni Lazo is to serve as an interim pastor of the Baptist church in Pangarap.

Though that is the case, he also intends to remain affiliated with NCF and its Bible Institute, where he intends to continue his studies.

As Bro. Noni puts it, he leaves himself and his new task under the mercy and will of the Lord.
