

Caring as Christ Cares in NCF's Care Group

After many months of preparation, prayer and reorganization, Novaliches Christian Fellowship started the Care Group Meeting last October 3 at exactly 9 o'clock in the morning. The amount of support from the people was really remarkable and undeniable was the atmosphere of love and concern.

Ten Care Group Leaders were tasked to assist in shepherding and helping the members and attenders of the church with their spiritual growth. They are: Sis. Marlyn and Bro. Jay Baldonado, Bro. Louie Cachero, Bro. Oscar Alabado, Bro. Fernan Palting, Bro. Renato Balsomo, Sis. Julie Nueva, Sis. Dana Palting, Bro. Michael Dantes and Ptr. Kirby Figueras. The average number of people in a group is eight members. Every leader grabbed the opportunity to pray for their respective members and to get to know them better and deeper.

"I believe that the Bible is trustworthy and reliable!", one member in a care group exclaimed. The discussion aims to give awareness to the people about the End - Times Prophecies or the things that will happen in the future in the light of the Word of God. Furthermore, the message preached by Senior Pastor Mark Dantes in Worship Service provided reinforcement to the minds and hearts of the people. Everyone was exhorted to live our lives pleasing to our God and to share the gospel to every people. Thus, everyone was challenged to be prepared to meet Jesus Christ in His glorious reappearing.

Do you want to experience a wonderful church life and to know how to care as Christ cares? Don't hesitate to approach any Care Group Leader and let yourself be part of this wonderful work of God in Novaliches Christian Fellowship.
