

## Where Is Your Faith

"Where is your faith?" He asked His disciples." - Luke 8:22a

Man learns little from favorable circumstances, but much from unfavorable ones. Indeed, the disciples' faith were tested when they, along with Jesus, sailed to the other side of the lake.

Jesus slept as they sailed. A storm came and the waves broke over the boat, so they woke up Jesus. He got up, rebuked the winds and the raging waters, and rebuked His disciples.

The disciples were alarmed because Jesus was only sleeping. Unfortunately, they failed to see the fact that Jesus was with them in the same boat.

"Where is your faith?" Jesus asked. He longed for the disciples' faith to be evident, for their faith to be completely placed in Him, even in the worst situation.

God allows you, just like the disciples, to face "storms and raging waves" as you sail in your Christian life, for your faith to be tested.

Is God dissappointed whenever you face hardships or trial of all sorts because He cannot see you putting your faith and trust in Him? Where is your faith placed when the going gets tough? Have you forgotten that the Lord Jesus Christ, to whom you placed your faith for the salvation of your soul, is with you wherever you go and whatever toil or trouble you may face?

May your faith shine even brighter in times of hardships and sufferings because it is properly placed in the Lord Jesus Christ. -KOF
