

Grocery Distribution to Families in Feeding Program

Thirteen families from Orocan and Sampalukan and eleven families from Banaba whose children were involved in the feeding program were recipients of grocery goods on September 6, 2009 from NCF.

As part of the 17th Anniversary, NCF has decided to make a special day dedicated for the families of around 100 children in the program. As Pastor Mark Dantes of NCF Main puts it, "there might be no feeding program today, but this time, they will be able to eat with their families at home with the help of the distributed groceries."

Prior to the distribution, there was an exhortation for the parents present, being taught about the way to salvation. Thirteen of them accepted Jesus Christ as Savior and Lord that day.

Then came the groceries. Says Sis. Bel Figueras of the Missions' Team, "we included foodstuff and household materials that may help such as rice, milk, sugar, canned goods like luncheon meat, corned beef and sardines, oil, laundry and bath soaps, clothes and toothpastes.

The families expressed their gratitude, first and foremost to God and of course, the appreciation to His instruments who are much willing to come to His service.
