

Heartwarming Mother's Day

May 10, 2009 was an incredible thanksgiving occasion for the members as they celebrated Mother's Day.

Leading the way were the energetic Clayhouse, NCF's Youth Ministry. Setting out to work as early as the week before, the young people prepared their very special Happy Mom's Day cards and more.

The day came and, after the short but heartwarming slides of mother-and-child images, all mothers were asked to come forward, receiving gifts from both the Youth and Ladies Ministries.

A highlight of the celebration was a serenade entitled, *Thank You Mom*, composed by Pastor Kirby Figueras.

Finally, the congregation laid their hands with a prayer of blessings for each and every mom present.

The mothers, on their part, were very appreciative of their children's efforts, and are equally thankful to the Lord.
