

## Youth Fellowship in NCF Main Still Going Strong

Relative to its re-launching last 2008, the Youth Fellowship in NCF Main is still up and running.

In fact, since their new beginning last November, the number of regular participants from the young members in NCF Main itself has increased. The NCF Main's youth are also involved in big church

projects such as the 2009 NCF Summer Camp.

Still under Pastor Kirby Figueras, the young people are currently tackling devotionals and discipleship manuals, strengthening their spiritual lives while keeping the flames of their youth burning brightly.

Youth gatherings still proceed every Sunday, 2:30 pm, with the blessings of fellowship, prayer, and sumptuous *meriendas*.
